

## “Try and Ride” Program

Have you thought about trying mass transit out but don't know where to start? Do you live or work in the St. Louis metro-area? “Citizens for Modern Transit” (CMT) is confident that once you try transit, you'll recognize the many benefits and make transit a part of your regular commute.

### “Try and Ride” participants will receive:

- Personalized transit routes for your work or school commute that includes the best modern transit options via MetroBus, MetroLink or a combination of both.
- Complimentary tickets for the first month for commuting.
- Registration in the Guaranteed Ride Home Program.
- Tips and tricks for using public transit.

### Other program details:

- Participation is complimentary — there is **no fee to participate**.
- Participants are asked to commit to using transit for two months for their work or school commute (only the first month is covered by CMT).
- Participants are asked to take two quick surveys at the end of the program.

Sign up for the try and ride [HERE](#).
